

**FURNITURE CLUB MEMBERS OFFER SOLUTIONS FOR  
ANTIMICROBIAL SURFACES:**

**SYNTHETIC LEATHER COVERS BY ASSMANN BÜROMÖBEL  
GMBH & CO. KG**

Posted on LinkedIn 01. June 2021

ASSMANN offers new synthetic leather covers with an antibacterial coating for furnishing solution, especially in the contract and medical areas. The new, easy-to-clean types of artificial leather complement the extensive ASSMANN range of high-quality coverings and are available for all the Consento seating, the Viteco dividing screen system and all the Syneo lounge furniture.
